

Children's Minister

Pay and benefits for the position are commensurate with experience.

The Minister of Children is an integral part of the Canton First UMC ministry team and works closely with the Executive Pastor and staff to oversee, lead, and develop all aspects of the Children's Ministry (Kindergarten through 5th grade), including staffing, volunteers, programming, curriculum, and special events. The Minister of Children will have strong leadership abilities and be able to connect readily and easily in developing relationships with children and their families. The Minister of Children will creatively and passionately encourage children to grow in their faith and in biblical understanding so that they may live authentic lives consistent with their God-given purpose.

Qualifications

- At least three years' experience in Children's Ministry, Early Childhood Education, or a related field.
- Leadership skills necessary to administer all aspects of the Children's Ministry, including personnel management, financial oversight, marketing, and other areas.
- Effective communication skills with staff, parents, and children.
- Self-starter and excellent organizational skills.
- Creative and able to cast and communicate a vision for the program that supports the Mission and Vision of the church.
- Proficient with computers.
- Professional appearance and demeanor.
