

Giving Tree 2021

Our tree is up and now we need the congregation's help with providing gifts for these families.

Step 1 – Visit the tree in the Narthex. It is on your left as you enter the church through the 2nd set of front doors.

Step 2 – Select an ornament. Each ornament will have all the information needed for the purchase of that gift. When selecting an ornament, please keep in mind that we are counting on you to purchase that item. If for some reason you can't find that item, please return the ornament to the church office.

Step 3 – Purchase the item.

Step 4 – Place the WRAPPED gift (with the ornament taped to the back of it) back under the tree.

All WRAPPED gifts must be returned to the church by December 11. Thank you so much!

If you have any questions, please contact kelly.beckley@cantonumc.org
