

Glenn and Kathy Hansen
Hospitality Team

As part of our Hospitality Team, Glenn volunteers as both Greeter and Usher and Kathy helps at the Welcome Desk. They have recently started the process of getting involved with the Homeless Coalition GAP and have served during the summer months with the MUST Summer Lunch Program.

Glenn and Kathy feel they have been tremendously blessed and are blessed even more through giving back. They feel it is their calling to give back to others. Before joining Canton First UMC, they wanted a church where they could be a part of the church family.

"Through volunteering we have been strengthened both spiritually and emotionally. We benefit by being surrounded with other believers and learn through their openness to share and be transparent. We have also had the opportunity to speak with others and have found many commonalities and interests that are in alignment with where we have lived and similar life experiences. We've learned that we are all in this together and together we can all make a difference. As we have all heard, 'it takes a village.'"

Glenn and Kathy shared that through volunteering they have been strengthened both spiritually and emotionally. They benefit by being surrounded with other believers and learning through their openness to share and be transparent. Kathy said, *"Because of those who reached out to us at Canton First, we have been able to reach out to others."*

A few fun facts about Glenn and Kathy!

Dream Vacation Destination:

Kathy: The Holy Land, or any beach if I have to stay in this country!

Glenn: Anywhere his camper will take him!

Favorite Bible Verses:

We both have several; one we both love is Lamentations 3: 22- 23 "Because of the Lord's great love we are not consumed, for His compassions never fail. They are new every morning; Great is your faithfulness."

Favorite Board Game:

We are basically card players and love the game Samba.
