

## Kevin and Melissa Moore

Hospitality Team and Student Ministry Volunteers

As part of our Hospitality Team, Kevin and Melissa Moore volunteer as Ushers on Sunday mornings and with the Middle and High School 247 Student Ministry. Kevin has served in the Fire Service for 22 years and is currently the Assistant Fire Chief at Dobbins ARB. He enjoys hunting, fishing, and relaxing with the family. Melissa currently works for the Department of Community Supervision, having graduated from Valdosta State University in 2008. She enjoys spending time with their children and relaxing by the pool. Kevin and Melissa have 8-year-old twin daughters, Ayva and Kymilee, and a miniature dachshund of 12 years.

Melissa and Kevin believe it is important to volunteer at Canton First because it is their way of serving. *"We feel it's sometimes not just good enough to go to church...we feel like you have to serve to continue the mission of knowing and serving Jesus. If God Calls you, you have to respond."*

An especially meaningful part of serving for Kevin and Melissa is the fact that the youth witness them volunteering. *"Seeing us volunteer could help them in the future."*

*Our kids also see us involved in the church, so one day they will grow up doing the same. It is important to us to be positive role models.* Kevin and Melissa also shared that volunteering with student ministry helps them stay accountable in studying the word and learning more about Jesus.

Through volunteering, Kevin and Melissa have enjoyed getting to know their church family. *"For the longest time we would see people but never talk to them. Now we know and have met our church family through volunteering."*

A few fun facts about Kevin and Melissa:

Favorite Ice Cream:

Kevin: Butter Pecan | Melissa: Chocolate

Favorite Sports Team

Florida State Seminoles

Favorite Bible Verse:

Philippians 4:6
