

Chris Guy
Spiritual Growth Group Leader | Small Group Ministry

As part of our Small Group Ministry, Chris Guy teaches Adult Sunday School at 11:00AM in Room 119. Through leading Sunday School, Chris wants to encourage people to know the only true God and Jesus Christ whom he has sent. Chris said, *"Knowing about Him is not the same as intimately knowing Him which is what we are designed for."*

Chris works as a counselor at Holly Springs Elementary School. He completed his undergraduate work at Asbury College (now University) and earned his Masters in Community Counseling at Georgia State University where he then completed his School Counseling Certification. Chris is married to Mollie and together have 4 children. He enjoys outside activities and particularly trips to the beach and hiking. Chris also enjoys learning more about God from "mentors" like Dennis Kinlaw, Les Beauchamp, E. Stanley Jones and others.

Chris believes serving is the responsibility of any believer if they are able to give of themselves in some way. *"Teaching is just what I have felt led to do."*

For Chris, an especially meaningful part of volunteering as a Group Leader is seeing people begin to walk closer to Christ. Seeing people grow in their faith and then watching them share it with others is what Chris enjoys most about volunteering in Small Group Ministry. *"I enjoy teaching about the Word as I love learning with others and know that I am always the one who learns the most when I am teaching."*

"I feel like I am often the one most in need of what God is wanting me to teach. The verse about being made strong in our weakness applies to me. I have never felt "worthy" to teach, but God has used me anyway when I have committed my way to him."

We asked Chris, what have you learned about yourself and/or about others through volunteering at our church? Chris responded, *"That God can do more than I expect and He can and is more than willing to use anyone who will let Him, regardless of what their gifts are. Every part of the body of Christ matters and each person has a unique purpose that God wants to enable them to fulfill."*

"There is a joy that comes from serving, regardless of where one serves, when one is doing so as an act of service to God."
