

Kendall and Carol Jones
Mission Team Leaders

As part of our Missions Ministry, Kendall and Carol Jones serve as Mission Leader co-chairs for the Missions Team, working with a great group of people on the team to engage and connect as many church members as possible with our mission partners so that they may experience the joy of serving others. Kendall also serves once a month on the Media Team, running the slides for the 9:30AM and 11:00AM services.

Kendall works for MUST Ministries and Carol works for Wellstar Health Systems. Together they have two sons who are married and live locally, one in Ball Ground and one in Roswell. They have one grandson and three granddaughters. Kendall and Carol enjoy the beach, hiking in the mountains, gardening, and serving others.

Kendall and Carol think volunteering in the church is an important part of our faith journey. *"We are called to serve, to be the hands and feet of Christ- faith is best expressed in Christian action. We made a vow when we joined the church to support it with our service. The church is the people, not the building, so we are called to serve them and serve with them."*

There have been many meaningful moments for Kendall and Carol while volunteering at the church. The most recent was last month when they delivered the Welcome Baskets and

helped with the Second Saturday Serve Day at Goshen Valley. Just as the Missions Team arrived, nine graduates were walking across the meadow in their caps and gowns to have a celebration. *"Knowing the difficult path that many of them had walked, to see their joy, excitement, and pride... that was a high moment of praise and a testament to the loving Christian adults that had poured into these young people."*

When we asked Kendall and Carol, what do you enjoy most about volunteering in your area of Ministry, they responded, *"We enjoy both participating in and seeing others experience the joy of fulfilling the will of God and emulating Christ through serving. There is a special camaraderie that is shared by both those who serve and those who are served."*

Volunteering brings joy and peace to Kendall and Carol Jones. *"We have learned there are many wonderful people with warm, compassionate hearts who want to serve and to give and that we are at our happiest when we are giving of ourselves on behalf of others."*

When encouraging others to faithfully consider volunteering, Kendall and Carol said, *"Don't wait- jump in! You are needed and you will be blessed. To find true joy, follow the order of this anacrostic- **J- Jesus O- Others Y- Yourself.**"*

Fun facts about Kendall and Carol:

- Favorite Ice Cream: Cappuccino Crunch from Blue Mtn. Beach Creamery
- Dream Vacation: Beaches of Hwy. 30-A in N. Florida and any mountains are a favorite, but would love to see the world as well.
- Favorite Sports Team: FSU Seminoles, any sport!
- Favorite Bible Verse: Matthew 6:33
- Favorite Board Game: Scrabble
